RESOLUTION 2023-0001

A RESOLUTION ADOPTING WESTPOINT GEORGETOWN SEWER DISTRICT RATE INCREASE

WHEREAS, the City of Kensett treats all of WPGTSD raw sewer through the process at Kensett Wastewater treatment plant and is permitted for such from ADEQ.

WHEREAS, WPGTSD has been paying $500.00 monthly for the first 500,000 gallons and regular rates thereafter. This rate has remained the same for 12 years.

WHEREAS, the City of Kensett hereby showing just cause does hereby raise WPGTSD rates from $500.00 to $600.00 monthly minimum rate with the over 500,000 gallons rate to be charged at regular current sewer rates. The City of Kensett has elected to charge a 5% annual increase to minimum rates for WPGTSD starting January 1st 2024 – December 31st 2024, recurring annually. If not paid by the 10th there is a 10% late fee. We realize this may create some hardship; however, it is necessary to help us to continue this level of treatment required in the wastewater process by ADEQ. The rate adjustment will begin 08/01/2023, the City of Kensett apologizes for any inconvenience this may cause.

THEREFORE, BE IT RESOLVED by the Council assembled at this 2023 August meeting of the City of Kensett be accepted and adopted. PASSED AND APPROVED by the City of Kensett this 15th day of August, 2023 in Kensett, Arkansas.
